**Your One-Stop for Success!**

The Student Success Center is designed to serve as a one-stop-shop where students can get assistance with an array of areas like course work, financial aid, study skills, choosing a major, course registration, stress management, and much more.

See the Chellgren Success Series page for detailed information about workshops geared toward helping students with study skills, choosing a major, reading in college, stress and anxiety, major-specific areas, and more.

To learn more about our services and our space, watch this brief video.

Scheduled Virtual Appointment

Scheduled Center Appointment

- On the calendar to the right at bottom you should see days highlighted in Green if there are any available appointment. Click on the day you would like (if you are looking for a specific CEC check their schedule above to see what days and times they are available) and a list of available appointments show up. Click on the one you want. Each are 30 minutes long, if you need more time you will need to schedule them back to back.

- On the next page compare the course the CEC is available for to the one you need to make sure they can assist you for that particular course. If the course is listed click yes, if not click no. If no then go back to step 4 and choose a different CEC. If yes fill in the form if it is not auto populated. The subject will be MAT or STA (pick from the drop down" and then type in the course number (112AP or whatever the course is)
- Click Submit

You should receive an email confirmation. 2 hours before the appointment ( or less if you make it less than two hours in advance) you will receive a reminder with a zoom link in it. The link will become active at the time of the appointment). Just click that link and the CEC will meet you in the meeting room.
